

# World Book:

# Kids

# World Book: Kids

- World Book: Kids gives kids the resources to start learning and doing their own research on an endless number of topics. The site offers links to additional resources like the French and Spanish language encyclopaedias
- The website helps kids learn how to cite sources, compare information and start learning about new people, places and things.
- You do not have to create an account to use this website and the content is available anywhere you have internet

# Search and Browse

- If you know exactly what you are looking for, type it into the search bar and click the green magnifying glass

- If you aren't sure what you are looking for you can select Explore or click on the rotating background of random articles.

# Pictures & Videos

- Selecting Pictures & Videos will bring you to the Dig in! page where you select your category and the subcategories from it

- Wherever you end up focusing on, World Book: Kids will give you images and videos about people, places or things

# World of Animals

Select World of Animals to find out information about a certain animal or to compare different animals.

World of Animals Make a New Selection Print This Page

	Orycteropus afer	Scientific Name	Camelus dromedarius
<b>Aardvark</b>	110 to 155 pounds (50 to 70 kilograms)	<b>Weight</b>	550 to 1,600 pounds (250 to 725 kilograms)
<p>⇒ <a href="#">Go To the Aardvark Exhibit</a></p> <p>⇒ <a href="#">View Article</a></p>  <p>Where Found: Africa</p>	4 1/2 to 6 1/2 feet (1.4 to 2 meters) long, including the tail	<b>Length</b>	7 to 12 feet (2.1 to 3.7 meters) long
	24 to 26 inches (60 to 65 centimeters) tall at the shoulder	<b>Height</b>	6 to 7 feet (1.8 to 2.1 meters) tall at the shoulder
	1	<b>Number of Newborn</b>	1
	Over 20 years in captivity	<b>Lifespan</b>	40 years
	Carnivore	<b>Diet Type</b>	Herbivore
	Ants and termites	<b>Sample Foods</b>	Grass, seeds, and whatever desert plants it can find

# Activities

Choose an topic or activity type to focus on and pick your activity from the options in it.

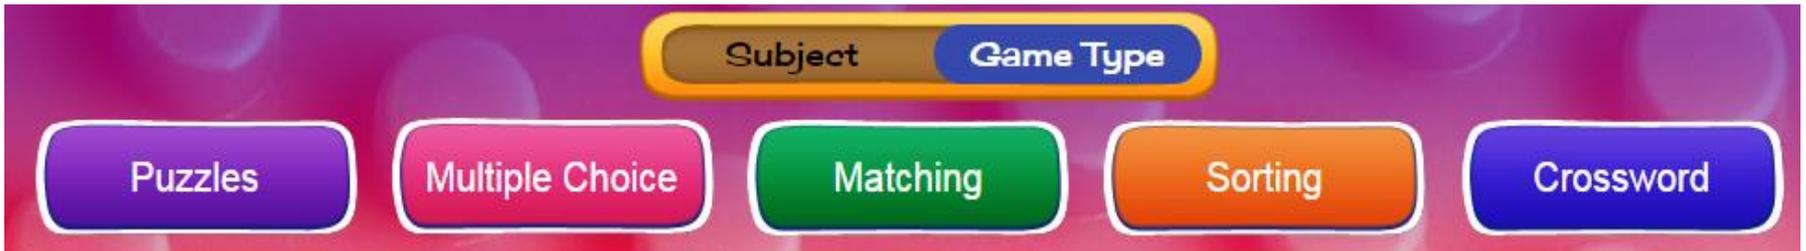

# Maps & More

Look at maps on an interactive map, the World Book Atlas and get printable colouring pages with country outlines and flags.

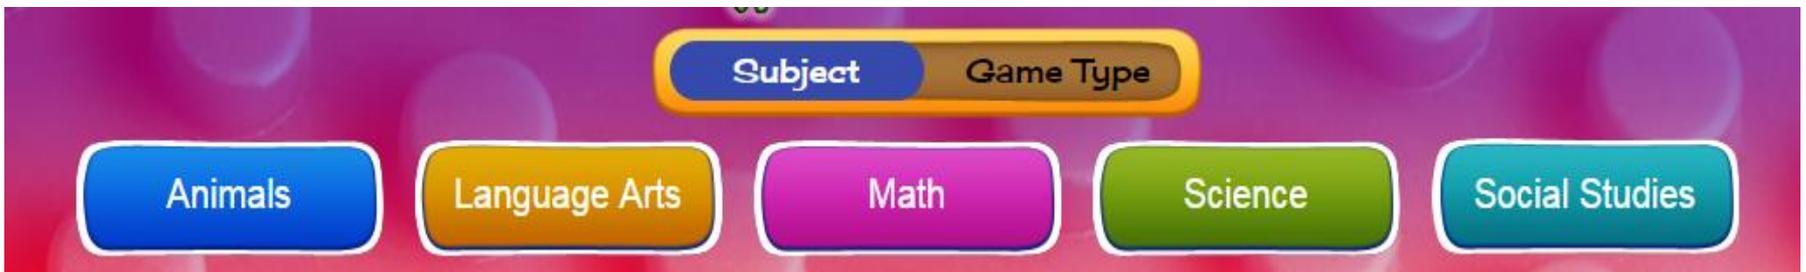

# Games

- Have fun with puzzles, matching games, sorting games, multiple choice games and crosswords.

- You can also find your games based on their subject.

# Important People

Important People helps you find a specific person that you may not know. In an event where you need to learn about a female politician but don't know any, you can come here and select those qualifications. You can also use the search bar to search for someone.

Looking for information about an important person?

Search Important People **GO!**

Not sure who you want to look up? Let's find someone!

Choose male or female

Choose job or achievement

Choose country or cultural heritage

Choose time period

# Compare Places

Select Compare Places to find out information about a certain province, country or continent or to compare provinces, countries, or continents.

Compare Places [Make a New Selection](#) [Print This Page](#)

Edmonton	Capital	Toronto
Alberta	Official Name	Ontario
255,541 sq mi (661,848 sq km)	Area	415,598 sq mi (1,076,395 sq km)
3,645,257	Population	12,851,821
North America	Continent	North America
Canadian Dollar	Unit of Money	Canadian Dollar
Alberta is called "Sunny Alberta" because it has more sunny days than other Canadian provinces.	Interesting Fact	Ontario has more people than any other Canadian province.
Alberta has long, cold winters and short, warm summers.	Climate	Winds from the Great Lakes give southern Ontario a milder climate than the rest of the province. Northern Ontario gets cold waves from the Arctic, or from the northwestern prairies.
Fortis et Liber (Strong and Free)	Motto	Ut Incept Fidelis Sic Permanet (Loyal She Began, Loyal She Remains)
"Alberta"	Song	None
Great horned owl	Bird	Loon
Prickly rose	Flower	White trillium
Lodgepole pine	Tree	White pine
1905	Year Became a State / Province / Territory	1867
